

Mantiene registro histórico de sus operaciones en el Libro de Inventarios de Bienes Muebles e Inmuebles

The image displays two screenshots of a web application interface for 'Cuenta pública'.

Top Screenshot: The application window shows a menu on the left with options: 'Reportes', 'Configuración', and '?'. The 'Reportes' menu is expanded, showing sub-options: 'Estados financieros', 'Eventos', 'Cuenta Pública' (highlighted), 'Repositorio de informes', 'Repositorio de Archivos Libro Diario', and 'Salir'. The main content area is dark gray.

Bottom Screenshot: The application window shows the same interface, but with a 'Listado de Reportes' dialog box open. The dialog box has a 'Filtros' section with 'Clasificación' set to 'Cuenta Pública CONAC'. Below this is a table with columns 'No.' and 'Bienes Inmuebles'. The table contains one row with the number '14'. Below the table is a 'Parámetros' section with the following options: 'Imprimir Ctrl + P' (checked), 'Mes Final: 6-JUNIO' (checked), 'Formato Anual' (unchecked), 'Miles' (unchecked), 'Firmas' (unchecked), 'Incluir bienes de control' (checked), 'Informe oficial' (checked), and 'Incluir bienes en concesión y Comodato' (checked). The 'Informe oficial' dropdown is set to 'INFORME TRIMESTRAL'. An 'Imprimir' button is at the bottom of the dialog box.

The bottom status bar of the application window shows the following information: 'Administrador', 'TESORERIA MUNICIPAL', 'SISABINAS', 'MUNCOAH032LGCG', 'Sabado 5 de Septiembre de 2026', 'Llovizna Por la tarde', 'Buscar', and system icons for network, volume, and battery.
